Obtaining a visa today is a pain (for everybody).

It's confusing.

- Difficult to find correct visa requirements, even for pros
- Ever changing rules & procedures
- Often no consular helpline or contact available
- Language barrier

It's time consuming.

- Gathering information, filling forms, taking photos, etc.
- Physical visit to consulate (at least 2 times)
- Can easily take 6 hours or more of the traveler's time
- Speed – travel date is deadline

It's outdated.

- Offline, manual processes
- Filling endless forms with same information
- Complex payment processes

It's a requirement.

- Without visa no trip, no exceptions
- Visa procedures can not by bypassed / skipped and are the same for everybody
- Can be a showstopper to book for some clients
