# B2B Transactions: A Costly & Painful Reality

## Employee Frustration

Confusing rules, endless approvals, clunky tools, and a desire for B2C simplicity and usability.

## Corporate Chaos

Maverick spending, lost savings, zero visibility, and inefficient processes plague businesses.

## Supplier Disconnect

Ineffective channels, limited reach, payment friction, and complex integrations hinder B2B growth. It's a sales bottleneck.

## Our Vision

 = Corporate PayPal

Streamlined Purchasing With A Single Click.

## Shifting Booking Habits & Hidden Costs

„**64%** of travel spending occurs **outside mandated channels.**“\*

„Reliance on **time-consuming manual processes** for expense management, accounting, and reconciliation.“

\* Global Business Travel Association (GBTA), 2020

# Managing The Unmanaged

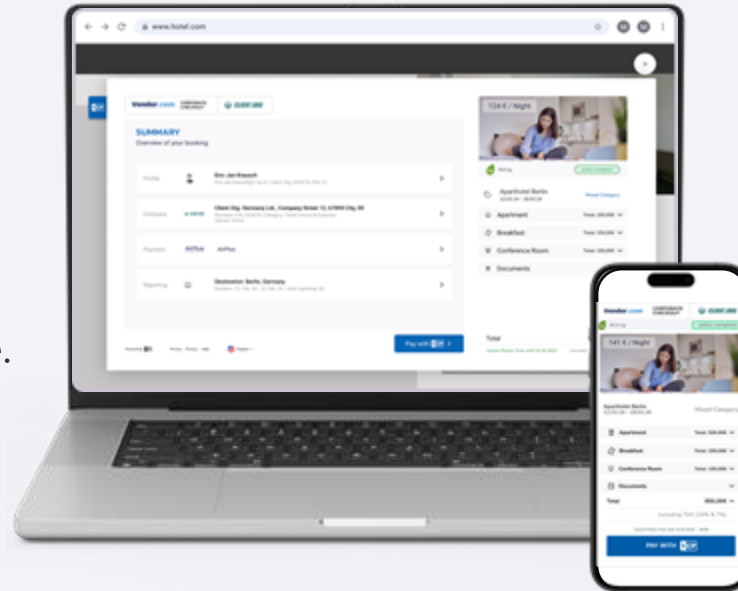

Achieve operational excellence, enhance compliance, and streamline purchasing across every channel.

# Our Solutions

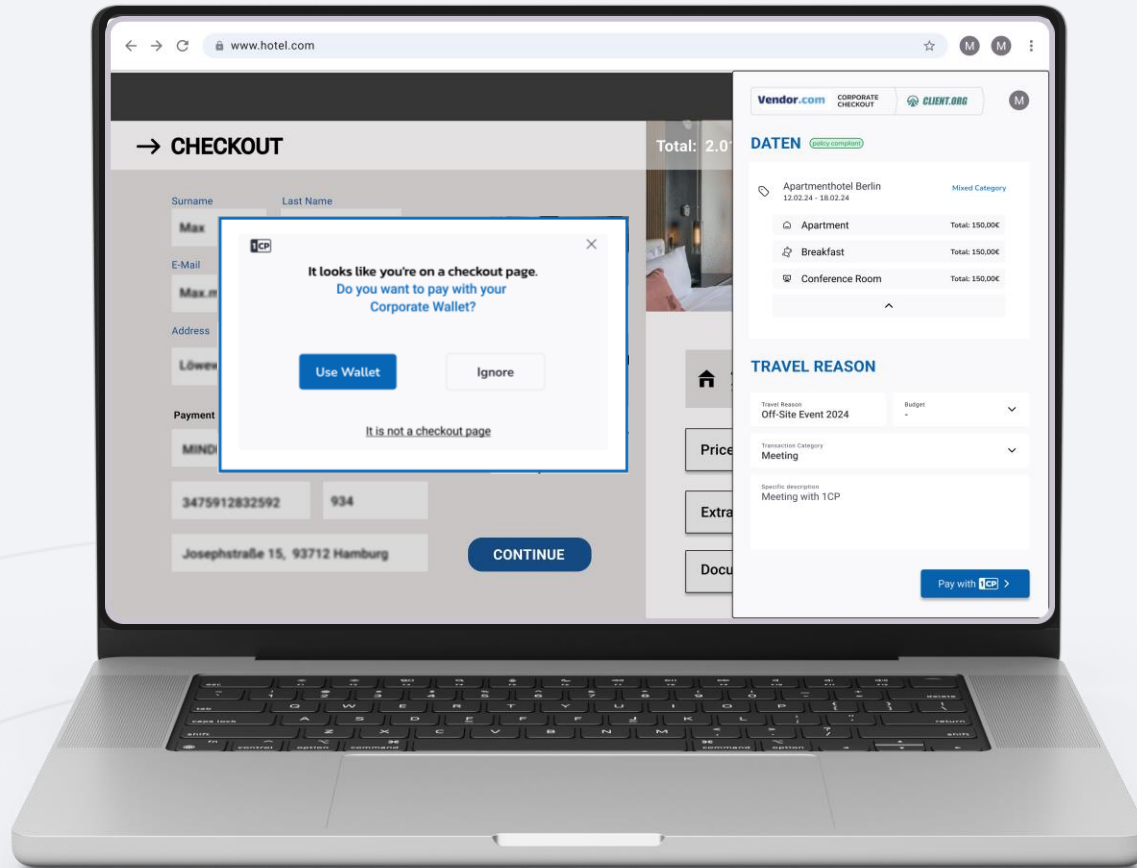

## CORPORATE CHECKOUT<sup>®</sup>

**B2B Express-Checkout for E-commerce.** Enable suppliers with all functionalities Corporates require.

## CORPORATE WALLET<sup>®</sup>

**Universal B2B Profile for Online Purchasing.** Empowering Employees on channels they prefer & Corporates the control they desire.

## CORPORATE WALLET® Agent

### Controlled Maverick Spend

- **Browser extension** for employees/buyers
- Enrichment of **transaction data** and enforcement of **company policies** on every website
- Automatic creation of **virtual credit cards**
- **Real-time spending data** and reporting
- **No integration with the provider required**

# Easily Connect into Existing Tools and Processes
